METHYLATION SUPPORT/DETOX BLENDS

TOX-EASE GL – A gentler form of Tox-Ease, often useful for the extremely ill.

TOX-EASE – Assists the body with detoxification of waste and multiple forms of toxins.

TOX-EASE II – A stronger form of Tox-Ease, to assist those needing greater detoxification support.

CORE IMMUNE SUPPORT

MC-BB-1, MC-BAR-1, MC-BAB-1, MC-BAB-2, and MC-PROTA-Z – These blends contain herbs well known to aid in the management of those with infections. Assists in nutritional support without the use of alcohol. They can be used by themselves or together with other herbal blends.

MC-REGENATO-1 – Designed to be used with autoimmune issues related to microbial activity.

CLA-K – This blend assists children with development issues.

MC-BFM-1 – Designed to help with issues related to chronic infections and chronic illness.

NEURO-DETOX BLENDS

CLA-K DETOX – To be used in conjunction with CLA-K for detoxification.

IMMUNE SYSTEM SUPPORT BLENDS

IMN-R – Designed to support the body's own natural immunity.

IMN-V – Contains antiviral agents and immune builders designed to be used with viral issues related to autoimmune diseases.

ENVIRONMENTAL DETOX

ENV-RD-1 – This formula will assist in eradication of environmental toxin.

ENV-NM – Designed to work with nerve and muscle issues related to environmental pollution.

ENV-BT-1 – Specifically formulated for use by those who have been exposed to bio toxins.

ORGAN SUPPORT BLENDS

BREATHE FREE – Supports and strengthens the respiratory system.

***CARVASCULAR** – Designed specifically to support the cardiovascular system at multiple levels to improve circulation, tissue repair, and muscle-nerve function.

DIGEST PRO – Carefully formulated blend of vegetable based digestive enzymes, mille thistle and others, designed to support healthy digestion. Strengthens the digestive system by fortifying the liver, gallbladder, pancreas and intestinal tract.

***COLON PRO** – A soothing emulsifying formula that promotes proper absorption and elimination in the intestinal tract.

***PRIME KB** – This blend aids the entire urinary tract as well as the kidneys and bladder, while encouraging proper elimination.

All of our liquid herbal blends are glycerine based. Glycerine preserves without changing or reducing the natural properties of the herbs, while alcohol might diminish the effectiveness of the herbs. Glycerin is also more readily absorbed into living cells than alcohol based blends.
